MILDRED & VERNA, WELCOME TO THE SPOTLIGHT!

Mildred Manchester is one of our new residents to join us at Grandview. Mildred has already got acquainted with old and new friends. She has been widowed for 5 years. Mildred has a daughter, Carolyn Hurlbert that lives in Ord and a son, Chuck that lives near North Loup. She has 4 special grandchildren. Mildred felt this was quite a change as she lived 49 years in her residence in Ord, but she has a positive spirit. Mildred feels it is important to be around people. She enjoys listening to talking books, spending time with her family and has several programs on television she enjoys. We are lucky to have her at Grandview.

Welcome Verna! Verna Ruzicka has also become part of our Grandview family. Most people know Verna from owning the Coast to Coast store in Ord. She and her husband owned it for over 30 years. Verna is a happy go lucky lady with a lot of spunk. She also, has become acquainted with old and new friends. She has one daughter, Rita Wert that lives in Colorado. She also has a granddaughter, Kelly and a grandson, Michael that also live in Colorado. Verna came to Grandview not knowing whether she would stay, but has decided to move into an

apartment of her own and has decorated it in her own special style. She has been widowed for 8 years. They enjoyed dancing and traveling. Today, Verna keeps busy playing bridge. We are very excited to have both of these ladies living at Grandview. They are full of life and neither one of these ladies look a day over 70!
