2008 POOL TOURNAMENT

HAPPY BIRTHDAY-
Veronica Thompson
14
Betty Vodehnal
27

The 2008 pool tournament started January 22. Nine Grandview men are trying for the Championship trophy. A first, second and third place trophy will be awarded, along with the most improved player. This is the fourth year that Grandview has held the tournament and find the men really enjoy it. Max

Cruikshank is again conducting the tournament. Those participating are Gib Babcock, Jim Larson, Bill Vancura, Joe Hickman, Joe Krcilek, Lyle Mason, Rudy Vodehnal, Gene Novotny and Ken Koelling. The winners will be announced next month.

GRANDVIEW SWEETHEARTS

Rudy and Betty Vodehnal are our latest sweetheart couple at Grandview. Rudy and Betty were married June 16, 1968. They will be celebrating their Ruby anniversary this year. Betty remembers meeting Rudy when he came to her home to buy a calf feeder. Somehow, he kept finding his way back to her place. Betty commented, "I thought he wanted to bring the calf feeder back, but he asked me out. They were married one and half years after the calf feeder. What a cute couple!

Joe and Laura Hickman were married April 28th, 1944 after meeting on Valentine's Day 1942. Joe recalls that their wedding day was "a bright and sunny day". The couple were married in the Catholic church in Orange County California. Joe remembers that he paid \$25.00 for Laura engagement ring and \$50.00 for her wedding ring which he got from a jewelry store in New York. Joe and Laura agreed they are both grateful to the Lord for bringing them together. Thank you to both of our couples for sharing their "memories".

VERA LANGE RETURNS...

We are excited to say that Vera has returned. Vera was living at the Valley Co. Nursing Home. She was doing so well that she decided to come back. Vera is an inspiration to many people... She has survived 2 strokes, a heart attack and a broken neck. Her first stroke happened 5 years ago. Nobody believed that she would improve to the point of returning to an assisted living. Vera reported, she was at Madonna and worked very hard to walk and return to normal living. She returned to Grandview and had two other misfortunes with another stroke and broken neck. She is a woman of determination and strong faith. It's absolutely incredible the odds Vera has overcome and we are so happy she has reunited with our Grandview family.

DOROTHY.....A LADY OF CLASS

Dorothy Osentowski will be greatly missed at Grandview. She was a wonderful lady and a friend to many. She knew how to laugh and make others laugh. She kept a good sense of humor even when her health failed. She loved her flowers, baking and keeping up with the news. She would say, "All I've done today is read the paper." She always wore classy clothes and had her hair and make up in place. She was very proud of her family and their success. We appreciated her wisdom and spunky spirit. Our condolences to Francis, Richard and family.

VALENTINE'S DAY

Can you believe Valentine's Day is right around the corner. Where did January go?? We try to make Valentine's a special day at Grandview. This year, we will be celebrating Veronica Thompson's birthday in the afternoon. In the evening, we will be crowning a king and queen, followed by a special evening meal with wine. We will also have special entertainment with Betty (Cernik) Robinson playing her accordion. Earlier in the week, we will have an afternoon with dessert/drink for the residents and a loved one, friend, etc. It will be great fun!!

Grandview Board &
Shareholders Meeting
February 19th at 2pm
