It's great to have another couple at Grandview. Charles and Lois have been married for 64 years. They have farmed all of their married life. Lois was from Clearwater, NE. She came to Valley Co. to teach after attending Wayne. Charles graduated from Ord High School in 1939. They met when she had a teaching opportunity in Valley Co. They married and lived between Ord and North Loup. They have four children; James, Eddie, Marilyn, and Joyce. They have 13 grandchildren and 13 great. They have a great family and they are a big part of their lives. Lois enjoys baking; rolls, brownies and cookies. She also, has quite of bit of experience in gardening. Charles loves the farm life and his tractor. They both have enjoyed the experience of traveling. What a wonderful couple!

*WELCOME BACK JERRY FAIMON!*

Jerry has returned to Grandview. Jerry is a native from the Ord area. He lived approximately 12 miles north of town. He married Bessie Absalon, they spent most of their married life on the farm. Jerry and Bessie didn't have any children, but have nieces and nephews that have been special to them. They moved to town after retiring from farming. He worked for the State Department of Roads for a period of time before his final retirement. He enjoyed fishing with family when he wasn't busy working. Jerry has been a widower for about 1.5 years. Jerry has quite the sense of humor and a joker at Grandview. Jerry keeps us on our toes! We are glad the Jerry has chosen Grandview for his home. Jerry says, "the best thing about Grandview is the good food."

**"FILLING LIFE WITH LOVE"**

The theme for this year's Assisted Living week is "Filling Life With Love." Lots of fun activities are planned for the week. Sunday, Sept. 7th kicks off with Grandparent Day and a Birthday party. Some of the other activities during the week include; a guest speaker who served in Iraq, BBQ for the residents and their families, CJ & JC music and an animal show. Some of the residents are planning to go to the Elementary school and attend the 4th, 5th and 6th grade classes. The students will write some questions they want to ask about when the residents were young. This is a fun opportunity for the students to learn and the residents love children. We are excited about the next week's special events.
