

## ***What is Adult Day Care?***

On those occasions when you need respite, Grandview Adult Day Services is there for you.

Adults are offered the opportunity to take part in a variety of programs we have to offer.

Come and be a part of our family, get reacquainted with old friends and meet new friends.

It is our vision to create a safe enchanting community of friends.

## About Us

Grandview is locally owned and operated by individuals who care about their community and the services that are available.

Grandview's dedicated staff has extensive experience in caring for elderly and have expanded their services to fill an unmet community need by offering Adult Day Care services.

*Join us for a home cooked meal.*

## Can we help?

If you're a primary caregiver for a family member or friend, you may find a time when you're in need of a little help. Grandview is available seven days a week, at any time, for elderly that may need assistance with personal care or who may just not be able to be alone.

You may find that a few friends to socialize with and a great home cooked meal is just what you need. Join us at Grandview for the day or evening, we'll help you feel right at home.

## Services Available

Transportation from your home to Grandview;

A private suite to rest and bring personal belongings; *(unless reserved)*

Any or all three meals each day;

A staff assisted whirlpool bath;

Medication reminders;

Assistance with personal hygiene and toileting;

Social activities;

*Many varied activities available.*

**Call Grandview today and see if our Adult Day Services are appropriate for you or your friend or family member. It may be just the help you are needing.**

**\* Rates are based on a per day basis and services that are needed.**
