Halloween

VIVA FLAMENCO!

On Thursday, Oct. 1st., the Electronics Media Department of the Ord High School brought live entertainment to the residents. Ronald Radford was the Flamenco guitarist. This music is an unforgettable experience of the soul stirring gypsy music of Spain. This program was possible through the internet and projected onto a large screen. A few details need to be worked out yet to make it even a better program. We appreciated Jennifer Remmereid and her students coming to Grandview. We are going to try and work it out that the Fall Concert will be able to be seen here at Grandview in October by the internet. This venture is a great opportunity for the residents to enjoy the community events. Marcia Reznicek

THE FUN BUNCH RECIEVE THEIR AWARD!

Orie Hurlbert	1
Dena Hamer	2
Leona Wiberg	9
Lydia Bruha	22
Minnie Sevenker	24
Grace Rice	26
Joe Hickman	29
STAFF	
Chris Wadas	13
Evelyn Osentowski	18
Gloria Knight	30

There were eight of the Fun Bunch members that were able to attend the Nebraska Assisted Living Luncheon to receive their Group Volunteer Award. They were chosen from a professional panel and recognized for the entire state. Some of the members drive a great distance to come perform at Grandview and other places in this area. We are blessed to have a group willing to share their talent for us. They truly make a difference in the residents life and some community folks come and listen when they play at Grandview.

CREAM CAN DELIGHT!

During Assisted living Week we had a “cream can supper.” The theme was Traditions of the Heart with food having many tradition with our families. A cream can supper consists of putting together; polish sausage, corn, carrots, cabbage, potatoes and placing it in a cream can to cook. This is mighty interesting for most people who have never seen it done or tasted the great flavor. The cooking time is a little over an hour. Doug and Sharon Hanks offered to cook the meal with the assist of Joe Wadas. Many of the residents were very helpful in preparing the vegetables, etc. Along with the cream can the kitchen staff did a great job providing a fruit salad along with brownies.

With the residents and families there was approximately 115 that were able to attend. This was a great opportunity to enjoy the good food and invite families to visit for a fun occasion. We have already had requests to when the next one may be. We just may have started another tradition right here at Grandview. Thank you to everyone that helped with the preparation of the party.

IN MEMORY OF VERNICE PSOTA...

Vernice passed away the 25th of September at Howard Co. Hospital. Vernice lived at Grandview for almost 3 years. She enjoyed playing cards and sitting outdoors in the summer months talking with friends. Her family was a very important part of her life. She loved to go on outings with her kids. She was always game to go on a weekend trip to Omaha. We will miss her at Grandview. We send our sympathy to Vernice's family.

OCTOBER HIGHLIGHTS

There are many fun things planned for the October month. We have seven residents celebrating their birthday, that is a lot of candles. There will be a hay rack ride offered with a ride around the town. It's that time of year to see all the changes of nature. There are several football games that everyone is excited to see the outcome. Of course, Halloween is right around the corner and we always have the opportunity for the goblins and ghosts to visit from 6-8 the evening of Halloween. It will be a fun and busy month!

GRANDVIEW BOARD MEETING
